

Installation Information

Item #P0916

Wall Mount Faucet Singles

Warranted only when installed by a qualified, licensed plumber. Please use Teflon tape on all threaded connections.

1. Shut off the water supply to the fixture before installation.
2. Rough in $\frac{1}{2}$ " IPS male pipe, $\frac{1}{2}$ " past the finished wall at your desired centers.

3. Thread on the wall mount couplers and insert the screen washer into the nut of the coupler.
4. Attach the faucet body to the wall mount couplers and tighten nuts to secure. When attaching parts, be careful not to scratch the finish when tightening the nuts.
